*A campaign to enhance the voices
of Iowa women for
social and political change*

#VoteYourValues Campaign

This October, in recognition of Domestic Violence **Action** Month, the Iowa Coalition Against Domestic Violence (ICADV) is launching a nonpartisan voter engagement campaign, **#VoteYourValues**.

Campaign goals

- Empower Iowa women and girls to use their voices to influence social and political change
- Work to enhance equitable and inclusive policies to support survivors of intimate partner violence
- Highlight and promote the importance of voter engagement

Share why you vote

In October, ICADV will be launching a digital campaign asking women and girls all across Iowa why they vote, and we want to hear from you, your friends, families, neighbors and communities!

To participate, use your cellphone, a computer or other video-recording device to record a 10-15 second video stating:

- Your name
- Where you are from
- Why You Vote

Videos and/or questions can be sent to lindsay@icadv.org or to our Dropbox at <https://tinyurl.com/VoteYourValuesVideo>.

The deadline to submit videos is Wednesday, Oct. 30, 2019.

**Note: ICADV will review all videos submitted for this campaign and holds the right to refuse or accept the videos based on content.*
